

**Supercharge Destiny Discover
and boost independent reading.**

Transform the way your students interact with your school library.

Reading every day is the foundation for a lifelong education. Engage your students by helping them to select a book that's just right! Follett Destiny Discover Engage, an add-on subscription for Follett Destiny® Library Manager, takes you beyond traditional reading lists to a platform that provides robust reading programs and challenges, smart recommendations, badges, and reporting capabilities that will make it easy, fun, and rewarding for students to develop good reading habits.

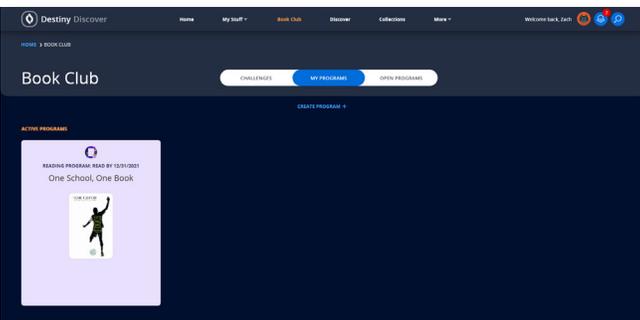

Visit folletlearning.com/repfinder to find your Follett Sales Rep.

How it works:

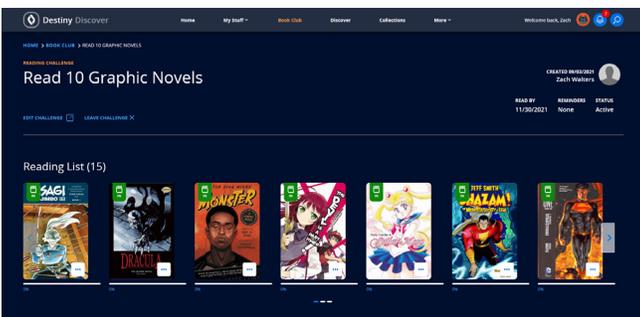

Recommendations:

Foster an excitement for reading with integrated recommendations, helping every student zero in on their next favorite book.

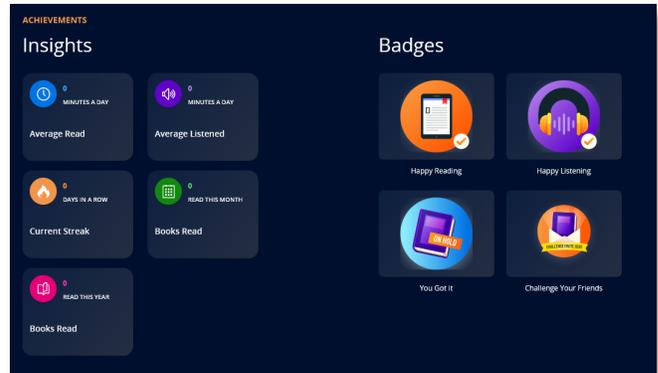

Programs:

Promote large-scale reading initiatives, such as summer reading or One School, One Book events.

Challenges:

Students can work toward their reading goals, and encourage fellow students to participate in challenges.

Insights and Badges:

Insights help students track their progress, and badges help them celebrate their achievements.

Reporting:

Monitor your students' engagement and participation in programs while also gaining insight into popular reading trends.
