

Your Depth of Learning Needs Our Breadth of Content

350+ Courses Unlock an Expansive World of Learning

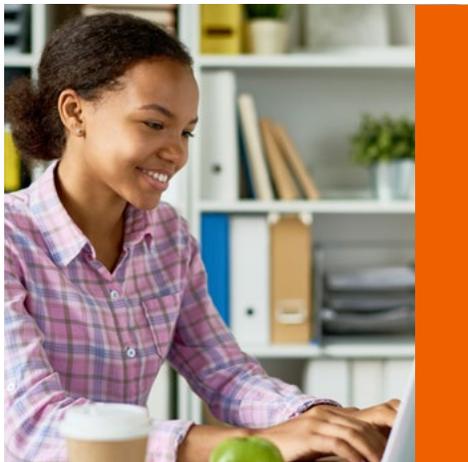

Access a comprehensive catalog of courses to meet every learning need.

Here are some of the many ways we can help:

Our district wants to...

COMPREHENSIVE ONLINE COURSES

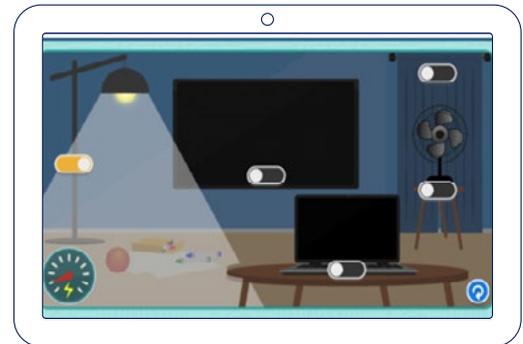

Offer online standards-aligned core courses to support your distance learning environment. Address your district's need to support learning flexibly: in-person, online, or blended.

ENRICHMENT

Provide enrichment opportunities for students.

Expand your world languages curriculum to enrich students' lives using Stride Learning Solutions' Middlebury Interactive™ world languages.

K-5 Mathematics

ELECTIVES, AP, HONORS

Expand student choice with a broad catalog of electives, AP, Honors, and more.

Be ready with an expanded course list that meets student needs.

With Stride Learning Solutions, you can efficiently and effectively offer courses previously unavailable.

Middlebury World Languages

CREDIT RECOVERY

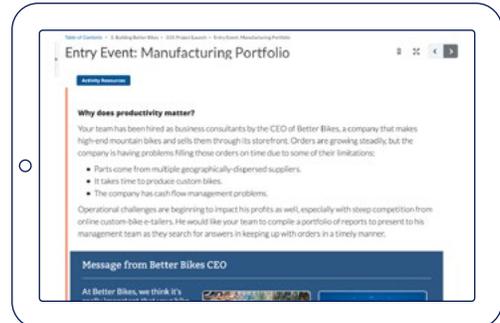

Address the growing learning gaps students face post-pandemic.

Support educators in delivering remediation, intervention, and credit recovery via interactive online courses. Choose among 40+ adaptive and diagnostic-driven credit recovery courses, and other courses to meet every summer school need.

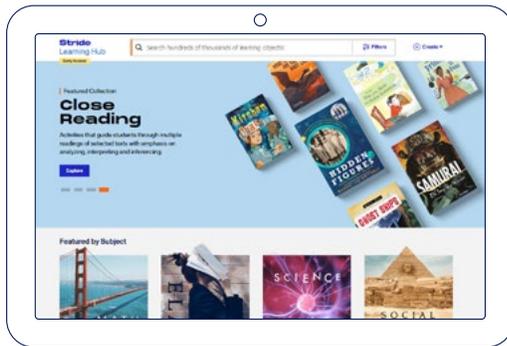

COLLEGE & CAREER READINESS

Support students in becoming college- and career-ready.

With Stride, tap into middle school career exploration, comprehensive programs and career academies, CTE electives, project-based learning, job skills development, and certification exam prep.

CTE Electives

Stride Learning Hub

PERSONALIZATION

Give teachers the tools to personalize learning for their students with ease.

Make personalized learning faster and easier for teachers with Stride Learning Hub, our one-stop shop for fresh, customizable content and timely, plug-and-play resources to supplement Stride Learning Solutions 6-12 courses.

STAFFING

Short on staffing? We can help.

Our certified instructors and academic mentors can help you close staffing gaps, expand your curriculum options, and support students with online learning in our courses.

Speak to your Stride Learning Solutions representative to create the mix of courses right for you.
