Fulfill state requirements and initiatives with content beyond core subject areas

nearpod SEL
Social & Emotional Learning

Build positive, safe, and empowering school climates.

nearpod DCL
Digital Citizenship & Literacy

Prepare students with knowledge and skills to use technology effectively, safely, & appropriately.

nearpod EL
English Learners

Reach students with immersive, relevant instruction with scaffolded supports.

nearpod HPL
Historical Perspectives & Literacy

Scaffolded culturally relevant instruction through rich media and inquiry-based experiences.

nearpod CCE
College & Career Exploration

Support students visualizing their futures with career readiness preparation.

nearpod LL
Learning Labs

Empower every teacher to reach every student with expert-derived, tech-enhanced, teacher professional development.

Add-on Nearpod lesson collections to your school and district license

✦ Continually growing libraries built into your school or district library, saving teachers time by keeping content on the same platform they're already using to teach.

✦ Lesson collections are built from CASEL's leading framework and aligned to ISTE standards, NCSS C3framework, career pathway requirements, and K-12 content standards.
